CULPEPER COUNTY BUSINESS PERSONAL PROPERTY AND MACHINERY & TOOLS INSTRUCTIONS

What is this form? This is your Business Personal Property declaration on which you are to file all furniture, fixtures, tools and equipment used in a trade or business. Machinery and Tools used in manufacturing, mining, processing, reprocessing, radio or television broadcasting, dry cleaning or laundry business are to be listed and segregated as a separate class (VA Code Sec. 58.1-3507).

What should I do with it? First take a look at the preprinted ownership information for accuracy. Then follow the instructions for each box where applicable. You need to provide a complete list of all property used in your business. The list should include the name of the item, acquisition date and cost (whether fully depreciated or not for federal income tax purposes). In the event there was no cost for acquisition, please provide an estimate of fair market value at the time of acquisition.

Am I required to file this form? If you conducted business as an individual, partnership or corporation, or if you own leased business equipment in Culpeper County on January 1 of this year, you must complete and return this form.

When is it due? The form and associated schedules/property lists are due no later than May 1st. If you file late or not at all, by law a 10% penalty will be added to your bill. If you are unable to file by May 1st, you may request a 30 day extension. The request must be in writing to the Commissioner of the Revenue and must be made prior to May 1st.

What happens if I do nothing? Since the assessment is based on information and schedule(s) that you provide, an assessment will be made by means of percentage of original cost and/or fair market value. If no information is provided, the Commissioner of the Revenue is required by law to assess property based on the best information available, which will result in a tax bill due. This is called a statutory assessment (VA Code Sec. 58.1-3519).

IMPORTANT PLEASE NOTE: The use of "SAME AS LAST YEAR", "NO CHANGE", "SEE ATTACHED" or returning a blank form will constitute an invalid filing and may be subject to a late filing penalty. If "ZERO" or "NONE" is listed, an explanation describing how you are able to operate a business without tangible personal property must be provided.

How can I get help? Additional forms, information and assistance are provided by the Commissioner of the Revenue office. You may call (540) 727-3443.

It is a Class 1 Misdemeanor for any person willfully to subscribe a return which he does not believe to be true and correct as to every material matter (Code of Virginia §58.1-11).
